

# 2025 HAF MEMBERSHIP GUIDE

Huskie Nation,

What a year for NIU Athletics! As we reflect on the tremendous strides our programs have made, I am continually reminded of the vital role that you play in the success and future of NIU Athletics. Your unwavering support provides a world-class experience for our more than 400 student-athletes, and for that, we are truly grateful.

It is because of you that our athletes have the opportunity to excel both in competition and in the classroom. Thanks to your generosity, we are able to provide our student-athletes with the resources they need to thrive at the highest level. This commitment is reflected in our recent success, both academically and athletically. I am proud to share that our student-athletes have achieved a record breaking cumulative GPA of 3.408, a testament to their hard work and the high standards at NIU.

On the field, we continue to set high expectations for all sports, and one of the most notable recent achievements was our historic victory over Notre Dame. This win not only brought pride to our community, it also demonstrated that when we come together, there are no limits to what we can accomplish.

As we look toward the future, we are also navigating some exciting transitions that will position NIU for continued success. With the ongoing House Settlement, the evolving landscape of Name, Image, and Likeness (NIL), and our transition to the Mountain West in 2026, your support is more critical now than ever. These changes are not just challenges to navigate but opportunities for us to grow, innovate, and compete at a higher level within a new conference. Our commitment to excellence remains our top priority, and with your continued investment, we will ensure that NIU Athletics is well-equipped to reach the mountaintop.

We are incredibly proud of the strides we are making as an athletic department. Your ongoing support ensures that we can maintain a competitive edge, recruit and retain top talent, and provide the resources our student-athletes need to succeed on the field, in the classroom, and in life.

Thank you for your dedication to the future of NIU Athletics. You are an integral part of our journey, and I look forward to our future success in the years to come.

Go Huskies!

# GIVING OPPORTUNITIES

## LEADERSHIP GIVING SOCIETY

In addition to the HAF annual membership, the Leadership Giving Society aims to increase philanthropic donations toward NIU Athletics to help support capital projects, campaigns, and facility upgrades. Although these gifts don't count toward membership status, they allow NIU Athletics to maintain its success as a leader in the Mid-American Conference. These donations start at \$25,000 and range up to six and seven figure gifts.

## 1899 CLUB

The 1899 Club, an approximately \$4+ million multi-use facility is the next step in fulfilling NIU Athletics' commitment to providing enhanced nutritional services for Huskie student-athletes. It will provide training table meals for the NIU football, volleyball and basketball teams and will expand to additional programs. This multi-purpose facility will also house our academic support services and be used for engagement opportunities.

# NAMING OPPORTUNITIES

Naming opportunities for NIU Athletics offer a unique way for sponsors to align their brand with NIU Athletics. By acquiring naming rights, sponsors can provide essential financial support that enhances the overall experience for student-athletes and fans while fueling growth across our athletic department. In return, the sponsor gains significant exposure through prominent branding and recognition at NIU events, both on-campus and in media. If interested, specific amounts and terms can be provided upon request.

## COMPANY MATCHES

If you are affiliated with a company that allows matching gifts, your employer might double or triple your gift to NIU Athletics.

## STOCK GIFTS

Gifts to the Huskie Athletic Fund can be made via a stock transfer. You can make a gift from a Donor Advised Fund or your Required Minimum Distribution. Please call the HAF for wiring instructions.

## GIFT-IN-KIND

Gifts of good and services reduce expenses for our athletics programs and make a big “bottom line” impact.

## WHEELS CLUB

Providing vehicles for our coaches and administrators is a great way to recruit experienced staff to coach and work at NIU. Wheels Club members receive tickets, parking and more.

## PLANNED GIVING

Consider NIU Athletics when planning your estate. These gifts make a lasting impact on our future student-athletes.

“Northern Illinois University has provided me with an unforgettable experience where I’ve had the privilege of continuing my golf career while pursuing my education. The opportunity to represent NIU has helped me grow both on and off the golf course and the experiences have shaped me into a stronger, more confident individual. None of this would be possible without the support of HAF members and for that I thank you all!”
